

CSO Program “in the news”

LETTER FROM THE MANAGER

If you haven't already seen it, here is a Column from the Journal Of commerce that was published just this week.

It is titled "[Industry Voices: Safety certification battle not brewing](#)".

It speaks to some of the significant inconsistencies suggested by comments in a recent Journal Article "Battle Brewing over Construction Safety Designations in BC".

Please share this with your colleagues, employers and clients.

Thanks,

Bruce J. Stevens, ASCT
Manager Construction Safety Registration
Applied Science Technologists and Technicians of BC
